PROFESSIONAL SUMMARY

Flutter mobile developer with 4 years of experience, specialized in designing and shipping iOS and Android applications. Two freelance missions delivered end-to-end, from codebase recovery to store deployment. Experienced building products under real-world constraints: mobile payments, variable connectivity, non-technical end users.

PROFESSIONAL EXPERIENCE

Mobile & Web Developer — Dec. 2024 — Present

Darollo Technologies Corporation · *Freelance · Togo*

● **1 app published Play Store · 1 website delivered**

- Development and maintenance of iOS & Android mobile apps (Flutter)
- Full ownership of project — Flutter mobile architecture + C# backend integration
- Debugging, testing and quality assurance
- Delivered projects: *MIABE Hackathon* app & website

Mobile Application Developer — Oct. 2025 — Mar. 2026

Evee Engineering · *Freelance · Ivory Coast*

● **2 apps published — App Store & Play Store**

- Took over an existing Flutter codebase, fixed critical bugs and shipped to production
- Full redesign of an application following in-depth UX analysis
- Post-publication updates and maintenance of live applications
- Delivered: *Grand Voyageur* (ride-sharing) · *Ticketto* (event ticketing)

Data Processing Operator — Mar. — Jun. 2025

CAGECFI SA — Cadastre · *Lomé, Togo*

- Digitization of land registry records, quality control and data validation

PROJECTS

Grand Voyageur
EVEE ENGINEERING
Ride-sharing app designed for West Africa. Find a ride or offer your own, simply.

Cherish
Create and send personalized greeting cards for every occasion. Polished templates, instant sending.

Ticketto
EVEE ENGINEERING
Discover concerts, festivals, and matches. Book your seats and receive your tickets directly on mobile.

EcoMap
Mapping platform to visualize environmental health: dump reporting and real-time air quality.

Miabé Hackathon
DAROLLO TECHNOLOGIES
The official app of the largest pan-African tech competition. Present in 15 countries for students.

Woez
Book local stays with adapted West African payments (Wave, Orange Money). Alternate to Booking.com.

S Contact
Your instant digital business card. Create your profile, generate a QR code, and share your contact info.

Make 10!
Arithmetic puzzle game — combine colored tiles to get exactly 10. Addictive and homemade.
